

EVENTS *at* PLATEAU

MODERN FRENCH WITH SPECTACULAR VIEWS

Plateau and its Bar & Grill are flanked by two terraces, providing a calm oasis away from the bustle of Canary Wharf below. The beautifully-designed interior vies for attention with the views across the glass towers, whilst attentive service and some very accomplished French cooking make for a memorable experience.

Sitting atop Canada Place opposite One Canada Square tower, offering a view like no other in London, reminiscent of the great cityscapes of New York and Tokyo.

Plateau buzzes with the confidence of a big city by day, inspired in equal measure by the glamour of mid-century Manhattan and the classics of French cooking. The venue's main feature is its huge glass windows, which bathe the dining area in beautiful natural light and highlight the two distinct dining areas. Complementing the elegant main dining-room is the more informal Bar & Grill, whilst outdoor terraces on either side provide al fresco dining vantage points.

THE SOPHISTICATED WAY TO ENTERTAIN

PRIVATE DINING

There are two elegant private dining rooms and an outdoor terrace, which are all available for your exclusive use.

Our main private dining room adjoins the restaurant, opposite the 'wall of wine'. Its full-height, glazed doors can be shut to offer total seclusion and privacy or can be left open so that guests can enjoy the vibrant atmosphere of the restaurant.

The beautiful Garden Room, our second private dining room, offers seclusion, with the benefit of a view of the main restaurant, through its full height glass doors.

Our fabulous Restaurant Terrace has a garden feel and is situated on the right hand side of the restaurant.
